ARTICLE 1 **UNION RECOGNITION**

1.1 The Employer recognizes the Union as the sole and exclusive bargaining representative for the purposes of establishing wages, hours and other conditions of employment for all employees of the Nantucket Memorial Airport, Town of Nantucket covered by this Agreement, as recognized by the Employer on July 15, 1986, including security personnel, except those employees set forth in Article 2 (2.1), (2.2), and excluding office clerical, supervisory, professional employees. It specifically excludes airfield supervisor, and terminal coordinator.

1.2 The Employer will not aid, promote or finance any other labor group or organization which purports to engage in collective bargaining on behalf of those employees covered by this Agreement.

ARTICLE 2 **SEASONAL AND CASUAL EMPLOYEES**

Those employees hired to work for six (6) months or less performing short-term or seasonal duties shall not be subject to the collective bargaining agreement.

2.2 CASUAL EMPLOYEES:

ARTICLE 3

NONDISCRIMINATION

There shall be no discrimination by the Employer against any employee in the bargaining unit, as herein described because of membership in the union.

The Employer and the Union agree not to discriminate against any individual with respect to hiring, compensation, and other terms and conditions of employment because of such individual's race, color, religion, sex, national origin, or age, nor will they limit, segregate or classify employees in any way to deprive any individual of employment opportunities because of race, color, religion, sex, national origin, or age.

ARTICLE 4

DISCIPLINE, GRIEVANCE AND ARBITRATION PROCEDURES

4.1 When an infraction occurs, the supervisor will notify the employee and the department head within five (5) working days of the infraction.

The steps in the progressive discipline process are as follows, each step to be signed off by the employee to acknowledge receipt only but not to acknowledge guilt.

- a) **Counseling.** The supervisor will meet with the employee to provide prompt recognition of a problem and suggestions for correction in an effort to eliminate the need for further discipline. If counseling does not correct the problem, the supervisor is expected to continue addressing the problem through verbal warning, written warning(s), and, if warranted, discharge. Severe infractions such as insubordination, safety violations, racial or sexual misbehavior should go directly to a written warning or stronger discipline.
- b) **Verbal Warning(s).** The supervisor should describe to the employee the actions or behaviors that are unacceptable, the changes expected, and the consequences if the employee fails to respond positively. The supervisor should document this discussion.
- c) **Written Warning(s).** If improvement does not occur within a reasonable amount of time, the supervisor should issue a written warning to the employee describing the actions or behaviors that are unacceptable, the changes expected, the corrective actions and the timetable required, and the consequences, including discharge, if improvement does not occur. A copy of the written warning notice, signed by the employee and the supervisor, should be placed in the employee's file.
- d) **Discharge.** If all the steps in the disciplinary process have taken place, reasonable time for improvement has been given, and there has been no improvement, discharge may occur.

4.2 **GRIEVANCE PROCEDURE:**

A grievance is a dispute between the parties or between the Employer and an employee pertaining to the interpretation and/or application of this agreement.

- a) Whenever any employee has a grievance, the following procedure shall be followed:

Step 1. The employee involved and/or the Union representative shall first discuss the matter with the department head, not later than 3 working days after the incident giving rise to the grievance or complaint occurs. A serious effort shall be made to resolve the problem at that time.

Step 2. If a satisfactory adjustment cannot be made between the employee and the department head, the employee and/or the Union representative shall, within 10 working days from the date of the discussion in Step 1, prepare a signed statement, and submit it to the Airport Manager. This statement must also contain a signed statement that the maker has been taken up with the department head.

Step 3. The Union will then try to adjust the matter with the Airport Manager or his representative. The Airport Manager will provide his answer in writing within 10 working days of the submission of the signed statement set forth in Step 2.

Step 4. A decision of the Airport Manager can similarly be appealed within **ten (10) working days** to the Airport Commission.

- b) In the event of any failure to comply with the provisions of this article, the grievance shall be dismissed and shall not be valid under this grievance procedure. Time limits may be extended by mutual written agreement.

4.3 **ARBITRATION PROCEDURE:**

4.3.1 Should a grievance not be resolved in the grievance procedure, the Union may submit the grievance for arbitration no later than 30 calendar days following the Employer's response or failure to respond in the last Step of the grievance procedure. Only the Union and the Employer may submit grievances to arbitration. In the case of a Employer grievance, it shall be initiated at Step 3 of the grievance procedure. The Arbitrator shall have no jurisdiction to hear or decide any grievance not submitted within the time limits herein provided.

4.3.2 The submission to Arbitration by either party shall be written notice to the other and shall have attached thereto the written grievance.

4.3.3 If the parties' representatives cannot mutually agree on an Arbitrator within ten (10) working days after the notice to arbitrate, the grieving party may request a panel of arbitrators from the American Arbitration Association or the Massachusetts Board of Conciliation as mutually agreed upon by both parties, from which the Arbitrator will be selected under the selection procedures then in force at the Association.

4.3.4 Each side shall bear its own expenses of arbitration except that the fees and expenses of the Arbitrator shall be borne equally.

4.3.5 The Arbitrator shall have no power to add to, or subtract from, or alter or amend any provision of this Agreement.

4.3.6 Issues subject to any other statutory right of appeal shall not be the subject of grievance or arbitration under this Agreement.

Grievances remaining unsettled after having been fully processed pursuant to the provisions of this Article 4 shall be submitted to a single Arbitrator from the list of the AMERICAN ARBITRATION ASSOCIATION or the MASSACHUSETTS BOARD OF CONCILIATION as mutually agreed by both parties, and the matter shall be arbitrated in accordance with the rules of the American Arbitration Association. The matter shall be submitted for adjudication under this Article (4.3) upon the request of the Union, the Employer, or both, but not by an individual employee, provided such request is made within 30 working days after decision of the Employer or of the Union has been given to the other party (4.1). The Employer shall have equal rights with the Union to initiate appeal or arbitration procedures Under the Agreement, and may refer to appeal or Arbitration any controversy, which divides the parties. The cost of the Arbitrator and cost of the submission fees shall be borne equally by the Employer and the Union. APPENDIX "D" - SEXUAL HARASSMENT POLICY

Adopted: February 15, 1995

Revised: January 8, 1997; July 7, 2004

I. INTRODUCTION

It is the goal of the Town of Nantucket to promote a workplace that is free from sexual harassment. Sexual harassment of employees in the workplace, or in other settings in which employees may find themselves in connection with their employment, is unlawful and will not be tolerated by the Town of Nantucket. Further, any retaliation against an individual who has complained about sexual harassment or retaliation against individuals for cooperating with an investigation of a sexual harassment complaint is similarly unlawful and will not be tolerated.

The Town of Nantucket takes allegations of sexual harassment seriously, and will respond promptly to complaints of sexual harassment. If it is determined that such inappropriate conduct has occurred, action will be taken promptly to eliminate the conduct and impose such corrective action as is necessary, including disciplinary action where appropriate.

Please note that while this policy is meant to promote a workplace that is free from sexual harassment, the policy is not designed or intended to limit the authority to discipline or take remedial action for workplace conduct which is deemed unacceptable, regardless of whether that conduct satisfies the definition of sexual harassment.

II. DEFINITION OF SEXUAL HARASSMENT

In Massachusetts, the legal definition for sexual harassment is as follows:

"sexual harassment" means sexual advances, requests for sexual favors, and verbal or physical conduct of a sexual nature when:

(a) submission to or rejection of such advances, requests or conduct is made either explicitly or implicitly a term or condition of employment or as a basis for employment decisions;

or, (b) such advances, requests or conduct have the purpose or effect of unreasonably interfacing with an individual's work performance by creating an intimidating, hostile, humiliating or sexually offensive work environment.

Under these definitions, direct or implied requests by a supervisor/department head for sexual favors in exchange for actual or promised job benefits such as favorable reviews, salary increases, promotions, increased benefits, or continued employment constitutes sexual harassment.

The legal definition of sexual harassment is broad and in addition to the above examples, other sexually oriented conduct, whether intended or not, that is unwelcome and has the effect of creating a workplace environment that is hostile, offensive, intimidating or humiliating to male and female workers may also constitute sexual harassment.

While it is not feasible to list all additional circumstances that may constitute sexual harassment, the following are some examples of conduct which, if unwelcome, may constitute sexual harassment depending upon the totality of the circumstances including the severity of the conduct and its pervasiveness:

- Unwelcome sexual advances - whether or not physical touching is involved;
- Sexual epithets, jokes, written or oral references to sexual conduct, gossip regarding one's sex life, comment on an individual's body, comment about an individual's sexual activity, deficiencies, or prowess;
- Displaying sexually suggestive objects, pictures, cartoons, or books;
- Unwelcome leering, whistling, brushing against the body, sexual gestures, suggestive or insulting comments;
- Inquiries into one's sexual experiences; and
- Discussion of one's sexual activities.

All employees should take special note that, as stated above, retaliation against an individual who has complained about sexual harassment, and retaliation against individuals for cooperating with an investigation of a sexual harassment complaint is unlawful and will not be tolerated by the Town of Nantucket.

III. COMPLAINTS OF SEXUAL HARASSMENT

If any employee believes that he or she has been subjected to sexual harassment, he or she should report this fact as soon as possible. If the person harassed feels that his/her department head is capable of effectively dealing with the problem, he or she should appropriately notify that person immediately. If the employee feels that the nature of the sexual harassment or the identity of the alleged harasser is such that he or she is not comfortable discussing the situation with his or her supervisor/department head, the employee should contact the Personnel Officer at Town & County Building, Nantucket, MA 02554, (508) 228-7255. This person is also able to provide further information about this policy and the sexual harassment complaint process.

IV. SEXUAL HARASSMENT INVESTIGATION

When a complaint is received, it will be promptly investigated in a fair and expeditious manner. The investigation will be conducted in such a way as to maintain confidentiality to the extent practicable under the circumstances. Further information on the specifics of an investigation may be obtained from the Personnel Officer.

V. DISCIPLINARY ACTION

Upon completion of an investigation, the person conducting the investigation shall draft a report outlining his/her findings and suggesting a resolution. If sexual harassment is found to have occurred, the person conducting the investigation shall meet with the Personnel Officer, the Town Administrator and the appointing authority to recommend appropriate disciplinary action. Appropriate disciplinary action to confirmed charges include: **verbal warning or reprimand, written warning or reprimand, sensitivity training, suspension, demotion, termination or some combination of the above.**

If the allegation(s) of sexual harassment is unsubstantiated, the matter shall be closed.

VI. FEDERAL AND STATE REMEDIES

In addition to the above, if an employee believes he or she has been subjected to sexual harassment, he or she may file a formal complaint with either or both of the government agencies set forth below. Using the Town of Nantucket's complaint process does not prohibit one from filing a complaint with these agencies. APPENDIX "E" - Policy & Procedure For Sick Leave Bank - Laborer's Union
(Applicable to employees covered by all units of Local 1060 Laborer's Union)

I. Policy:

The Laborer's Union Sick Leave Bank is established to provide additional sick time to be used for immediate, legitimate sick leave purposes for applicable Employees who do not have available their own accrued sick time to cover the anticipated duration of the sick leave.

The Sick Leave Bank is intended to be used for situations in which an Employee has utilized all of his/her sick time either previous sick-related or a current condition and will not/does not presently have the sick time available for a current condition.

The Sick Leave Bank is not intended for use of the doctor's appointments, or illnesses or conditions of a short-term nature (e.g., colds, flu etc.). In order to use Sick Leave Bank time, an Employee must have already exhausted his/her remaining sick time, vacation time and comp time.

All time requested from the Sick Leave Bank is to be paid back into the Sick Leave Bank starting at the time the Employee returns to full duty. The payback period shall be determined by the Sick Leave Bank Committee on a case by case basis.

II. Criteria for Eligibility for Use of Sick Leave Bank:

- A. An Employee must have been employed with Nantucket Memorial Airport for at least one (1) full year.
- B. The Sick Leave Bank is for an Employee's personal use not for assisting a family member.
- C. Except in extraordinary circumstances, an Employee will not be considered for any more than two (2) requests for use of the Sick Leave Bank per year.
- D. An Employee must donate at least one (1) sick day per year to the Sick Leave Bank in order to be eligible for use of the Sick Leave Bank. This is subject to change, given extenuating circumstances on behalf of the Employee.

III. Procedure for Donations and Use of the Sick Leave Bank:

- A. Donations to the Sick Leave Bank are for the Local 1060 members and may not be made for specific Employee(s). Any airport employee who accumulates sick time may donate to the Sick Leave Bank; pursuant to the knowledge only Local 1060 members may make use of said donations.

B. Upon retirement or resignation, an Employee with at least ten (10) years of continuous service with the Town of Nantucket is eligible to have 70% of his/her sick leave bought back by the airport. An employee may donate any or all of their unused sick leave eligible for buy back to the Sick Leave Bank.

C. Donations to the Sick Leave Bank may only be made through use of the attached form which shall not be valid unless all approved signatures are obtained on the form.

IV. Use:

A. Use of the Sick Leave Bank may only be requested through the use of the attached form.

B. All requests for use of the Sick Leave Bank must be accompanied by a report from the Employee's doctor, which includes a description of the Employee's condition and the anticipated duration of time that the Employee will be out of work.

C. Once the request has been submitted to the Union Representative, the Sick Leave Bank Committee (comprised of two members of the Union, voted by union members, and two airport commissioners) will meet within five (5) working days of the date of the request was received to act upon the request.

D. When an Employee is sick and has sick time available, the Employee's sick time will be used first until it is exhausted. Once the Employee's sick leave has been exhausted, then sick days from the bank may be used provided they are approved by the Sick Leave Bank Committee and conform to the other requirements of this plan. When the Employee returns to work any unused sick leave borrowed from the bank automatically reverts to the bank.

E. If the request is denied by the Sick Leave Bank Committee, it may be appealed to the Sick Leave Bank Appeals Board, comprised of the Airport Manager, and one other member of the airport commissioners (other than a member of the Sick Leave Bank Committee), and two airport union employees (other than the two union members of the Sick Leave Bank Committee). The decision of the Sick Leave Bank Appeals Board shall be final, binding and not subject to grievance or arbitration procedures. In the event of a tie decision by the Sick Leave Bank Appeals Board, the parties agree to appoint a neutral party to break the tie. The tie decision shall be final, binding and not subject to grievance or arbitration procedures.

V. Guidelines

Although the Sick Leave Bank Committee has the final decision on disbursing days from the bank, the following guidelines normally will apply:

A. If an Employee is sick and has accrued sick time, but not enough to cover the anticipated duration of the illness, the Employee may request additional days from the Sick Leave Bank of up to one-half of his/her unused accrued sick time (calculated from the beginning of this illness).

B. If an Employee is sick and has no sick time left, he/she may request sick days from the Sick Bank Committee. It is the Employee's responsibility to convince the Board that these days are deserved. Normally, no more than 5% of sick days available in the Sick Leave Bank at the time of request, will be given out under this condition.

C. If an Employee has a serious/catastrophic illness or accident, he/she (or a representative) may request sick days from the Sick Leave Bank. Normally, no more than 20% of sick days available in the Sick Leave Bank at the time of request, will be given out under this condition.

D. The amount of time contained in the Sick Leave Bank shall be retained and maintained by the Payroll Coordinator and is subject to review at any time. A monthly statement shall be put out as to the contents of the Sick Leave Bank as well as statements to Employees showing how much time they have donated.
